

We're all amazing

LYRICS

Verse One

My eyes are blue, my eyes are green,
My eyes are brown... they're part of me,
I speak English, I speak Urdu,
I speak in Yoruba, how about you?

Chorus

*We're all amazing, all these parts of me,
We're all amazing, all these parts of you,
We are different each of us, it's what makes us precious,
So love yourself... We're all amazing!*

Verse 2

My hair is short, my hair is straight,
My hair is curly.. it's really great!
Sometimes I'm quiet... sometimes I shout!
Sometimes I'm giggly... there is no doubt,

Chorus

I walk with sticks, I've got my chair,
I use my legs... to get everywhere,
My skin is dark, my skin is light,
My skin is freckly, we all shine bright!

Chorus

Bridge

What are the parts that make you you?
What are the parts that make me me?
We are different but we're one,
And we can live in harmony...

Chorus
