DEBUT MUSIC PRODUCTION COURSE

CHOOSE YOUR PREFERRED LOCATION
AND CLICK THE LINK TO FIND OUT MORE

(Year 5-6)

Lewes
Eastbourne

You will look at the basics of creating music starting with programming beats, then looking at harmony, and finishing with adding melody. You will learn how to program music using a range of synthesisers, drum machines, and effects. You will open the door to being able to create your own music, remixes, and more!

MUSIC PRODUCTION COURSE

CHOOSE YOUR PREFERRED LOCATION
AND CLICK THE LINK TO FIND OUT MORE

(Year 7+)

This course will allow students to step into the world of recording, mixing and producing. Over the two days students will learn how to mic up various instruments in a professional studio environment. Some students may even want the chance to record themselves playing!
